January 11, 2019

Tim Flanagan, General Manager
 Monterey Regional Waste Management District
 P.O. Box 1670
 14201 Del Monte Blvd.
 Marina, CA 93933-1670

Dear Tim Flanagan,

Subject: Monterey Bay Chapter, American Public Works Association
 2019 Awards

Congratulations!

After careful review by the Awards Committee, the Board of Directors is very pleased to announce that your project, Material Recovery Facility, has been chosen as The Project of the Year for Environmental Projects Greater than \$5 Million.

This year was a very successful year resulting in the nomination of **fourteen** exceptional projects throughout our three-county area. Each project was impressive! Each sponsoring agency, design team, and construction team should be very proud of their project/nomination. In addition, we have received nominations for the Person of the Year and Young Professional Person of the Year. As you know from the meeting flyer (attached), we will be celebrating all of our awards at the next Chapter meeting and annual awards presentation:

- Thursday night
- January 24, 2019 at 5:30 PM
- San Juan Oaks Country Club
 - Hollister CA

We are looking forward to your attendance and acceptance of your award! To better inform the attendees about your project, we suggest that you prepare a brief PowerPoint slideshow that we can use as a preview of your project to the attendees. Because of the large number of projects to be presented, the PowerPoint should consist of perhaps five slides in addition to the title slide. **Please provide your PowerPoint to me by Friday, January 18th**, so we can combine them into a master slideshow to be shown during the dinner and before the program.

Again, we thank you for your support of your local Chapter of APWA and look forward to seeing you and your supporting consultants and contractor representatives on Thursday, the 24th.

Sincerely

John I. Wallace, PE
