Item No. 1

Board of Directors of the
Monterey Regional Waste Management District

Board Regular Meeting of
March 18, 2022

BOARD OF DIRECTORS CONSIDER ADOPTING A RESOLUTION REGARDING THE RALPH M. BROWN ACT AND ASSEMBLY BILL 361, MAKING CERTAIN FINDINGS, RE-RATIFYING THE PROCLAMATION OF A STATE OF EMERGENCY BY GOVERNOR NEWSOM ON MARCH 4, 2020, AND RE-AUTHORIZING REMOTE TELECONFERENCE MEETINGS OF THE DISTRICT BOARD AND ITS STANDING COMMITTEES (CONSTITUENT BODIES) FOR THE PERIOD FROM MARCH 18, 2022 THROUGH APRIL 18, 2022, PURSUANT TO APPLICABLE BROWN ACT PROVISIONS.

REQUEST:

It is requested that the District Board consider: Adopting Resolution No. 2022-08 regarding the Ralph M. Brown Act (California Government Code §§54950-54963, hereinafter the “Brown Act”), making certain findings, and authorizing the district to continue to implement remote teleconferenced public meetings of the Board of Directors and its constituent bodies for the period from March 18, 2022 through April 18, 2022.

BACKGROUND:

Government Code §54953(e) allows local public agencies and districts to continue to meet remotely during states of emergency proclaimed by the Governor under modified Brown Act requirements that are similar to but not identical to the rules and procedures established by the prior Executive Orders of Governor Newsom relating to the relaxation of certain Brown Act requirements during the COVID-19 pandemic.

Government Code §54953(e) authorizes local agencies to use teleconferencing without complying with teleconferencing requirement imposed by the Brown Act during a declared state of emergency when state or local health officials have imposed or recommended measures to promote social distancing during the proclaimed state of emergency or when the legislative body had determined by majority vote that meeting in person would present imminent risks to the health or safety of attendees. In that regard, please note the Recommendation Regarding Social Distancing Including Remote Meetings of Legislative Bodies issued by the County of Monterey Health Department on September 22, 2021, and still in effect, which is Attachment 1 to the accompanying Resolution 2021-12.

At a regular meeting held on February 18, 2022, the District Board adopted Resolution 2022-07 regarding the Brown Act, making certain findings, and authorizing the District to implement remote teleconferenced public meetings of the Board and its constituent bodies for the period of February 19, 2022 through March 20, 2022.

ANALYSIS:

On June 11, 2021, Governor Newsom issued Executive Order N-08-21 which among other things rescinded his prior Executive Order N-29-20 and set the date of October 1, 2021, for public agencies to transition back to public meetings held in full compliance with the Brown Act.

As the Delta and Omicron variant has surged in California, the legislature took action to extend the COVID-19 exemptions to the Brown Act's teleconference requirements, subject to some additional requirements. Assembly Bill 361 amended Government Code §54953 and allowed a local agency to use teleconferencing in any of the following circumstances without complying with certain Brown Act provisions:

1. The legislative body holds a meeting during a proclaimed state of emergency, and state or local officials have imposed or recommended measures to promote social distancing.
2. The legislative body holds a meeting during a proclaimed state of emergency for the purpose of determining, by majority vote, whether as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.
3. The legislative body holds a meeting during a proclaimed state of emergency and has determined, by majority vote taken at a meeting held for the purpose described in 2 above, that as a result of the emergency, meeting in person would present imminent risks to the health or safety of attendees.

A local agency that holds a meeting under any of these circumstances would be required to follow certain requirements listed in the attached Resolution, in addition to giving notice of the meeting and posting agendas as required under the Brown Act. These additional requirements are intended to protect the public's right to participate in the meetings of local agency legislative bodies. The District currently adheres to the listed requirements.

Government Code §54953(e)(3) provides that if the state of emergency remains active for more than 30 days, a local agency must make the following findings by majority vote every 30 days to continue using the exemption to the Brown Act teleconferencing requirements:

- The legislative body has reconsidered the circumstances of the emergency; and
- Either of the following circumstances exist: the state of emergency continue to directly impact the ability of members to meet safely in person or State or local officials continue to impose or recommend social distancing measures.

The goal of Government Code §54953 as revised by AB 361 is to improve and enhance public access to local agency meetings during the COVID-19 pandemic and future applicable emergencies by allowing broader access through teleconferencing options. The current version of Government Code §54953 became effective on September 16, 2021, with a sunset of the present version on January 1, 2024.

FISCAL IMPACT:

None identified.

Recommendation Regarding Social Distancing Including Remote Meetings of Legislative Bodies

Issued: September 22, 2021

The Monterey County Health Department continues to recommend that physical and social distancing strategies be practiced in Monterey County, which includes remote meetings of legislative bodies of local agencies, to the extent possible.

Monterey County continues to experience transmission of COVID-19 locally. Physical and social distancing is still an effective measure to reduce the spread of COVID-19, especially when combined with use of face coverings, frequent hand washing, staying home when ill, testing, and vaccination with U.S. Food and Drug Administration approved or authorized COVID-19 vaccines.

Remote meetings of legislative bodies allow for the virtual participation of agency staff, presenters, and community members in safer environments, with less risk of exposure to SARS-CoV-2, the virus that causes COVID-19.

The Monterey County Health Officer will continue to monitor local metrics and the necessity of this recommendation.
