

Monterey Peninsula

Community Battery & Fluorescent Bulb Drop-off

As a convenience to residents, the following cities and businesses accept small quantities* of household batteries (alkaline and rechargeable batteries) at the specified locations, in designated collection containers, during regular business hours.

(Highlighted businesses accept fluorescent bulbs. See details below.)

MRWMD Residents may bring batteries & fluorescent bulbs to the Monterey Regional Waste Management District's Household Hazardous Waste Facility located at 14201 Del Monte Blvd., Marina – Wednesday-Saturday, 9 a.m.-4 p.m.

*For more information about accepted materials and quantities, and safe transport, call (831)384-5313 or refer to:

<http://www.mrwmd.org/programs-services/household-hazardous-waste/>
