

**Monterey Regional Waste Management District
SMALL PLANET
School Education Program**

Tour Bus Grant Application

Monterey Regional Waste Management District offers support for field trip transportation for the Small Planet Education Tours as it is available. When funds are available they are offered to help with a share of the cost. Once the bus grant has been approved, it is up to the school staff requesting the grant to contact and notify their school district's transportation department. The Transportation Department will need to send an invoice for the approved grant amount, after the completion of the tour to: **MRWMD, Public Education Coordinator
P.O.Box 1670, Marina, 93933-1670**

School name, address & phone:

**Has your school received a MRWMD Bus Grant in the past? _____, If so when? _____
Name, phone number & email address of contact person:**

Date of tour and names of teachers participating in tour:

Grade & number of children participating in tour:

How will this tour fit into your classroom curriculum?

If this bus grant were not available to your school, would your school find other funds to include this tour in your annual curriculum planning?
