Single-family Customers: Large items such as appliances and furniture can be picked up upon request for standard residential customers (sorry, this service is not offered to multifamily or commercial customers). Most items are collected at no additional charge. However, some items (mattresses, refrigerators, TVs, computers, etc.) require special handling at the landfill and are charged at the landfill's special handling rates. Up to 3 large items can be picked up per appointment, and four appointments are allowed per year. All you have to do is call 372-7977 to schedule the appointment and place the items out on the curb on the date given by our staff by 8:00 a.m.

Multi-family Customers: Available to Multi-Family for a fee, please call for details.
