**CALL FOR BIDS:**

You are invited to bid on a General Contract for the construction of a lined solid waste disposal cell at the Monterey Peninsula Landfill, a Class III municipal solid waste landfill. The engineer's estimate for construction is approximately \$4,950,000. Work involves construction of (1) approximately 14 acres of composite base liner, consisting of a compacted clay liner, and a HDPE geomembrane, and (2) a leachate collection and removal system, consisting of HDPE piping, gravel drainage material, geotextile, and on-site sand drainage soil. The work also includes excavation of native sand and clay soils, subgrade preparation, and placement of engineered fill. Bid Documents (including plans, specifications, contract forms, bid forms and conditions) may be obtained by contacting [gpetraborg@mrwmd.org](mailto:gpetraborg@mrwmd.org). Bids shall be submitted on the Bid Forms provided with the Bid Documents.

Sealed bids will be received at the MRWMD office located at 14201 Del Monte Blvd., Monterey County, CA 93908 until **2:00 p.m., Tuesday, March 5, 2019** (P.O. Box 1670, Marina, CA 93933-1670) at which time they will be publicly opened and read. Any bids received after that time will not be considered. Oral, telephonic, facsimile, or telegraphic bids are invalid and will not receive consideration.

All prospective general contract bidders are required to attend a pre-bid conference to be held at the MRWMD office at **10:00 a.m., Friday, February 1, 2019**. Representatives of the MRWMD and the ENGINEER will be in attendance. The conference will be followed by a tour of the construction site.

Each bid shall be accompanied by a certified or cashier's check or bid bond in the amount of 10 percent of the total bid price payable to the MRWMD as a guaranty that the bidder, if his/her proposal is accepted, will promptly execute the contract, secure payment of worker's compensation insurance, and furnish a satisfactory faithful performance bond in the amount of 100 percent of the total bid price.

The successful bidder must be licensed in the State of California and must demonstrate acceptable experience of the type of work described in the Bid Documents. MRWMD reserves the right to waive any irregularities and to reject any or all bids.
