

## ANIMAL WASTE SUBMITTAL CHECKLIST

Submittals must include the following:

- Completed [Waste Manifest](#) form.
- Documentation that other forms of disposal are not available. \*
- A letter from a veterinarian certifying that the animal carcasses are non-infectious and non-hazardous.

Send the submittal package to [dramirez@mrwmd.org](mailto:dramirez@mrwmd.org).

### **Fees:**

Disposal of approved Animal Waste will be charged the current Problem Waste Rate. Please refer to the [Disposal Fee](#) schedule. Special handling service charges may apply.

### **Special Notes:**

Due to the nature of the waste, immediate burial is necessary. As such, disposals must be scheduled 72 hours in advance.

\*Customers disposing of animal wastes are responsible for ensuring that they are compliant with all US (Federal) and California Department of Agriculture (State) regulations regarding animal waste rendering and disposal. Including but not limited to, disposal hierarchy requirements. Applicable regulations define landfill disposal of animal waste as the **last choice** of disposal and that it shall occur only if the customer has documented and reported that the other forms of animal waste disposal are not available to them.
