

## LIQUID WASTE/BIOISOILDS SUBMITTAL CHECKLIST

Submittals must include the following:

- Completed [Waste Manifest](#) form.
- Description of project that is generating the liquid waste.
- Analytical test results. (If available. May be required after District review.)

Send the submittal package to [dramirez@mrwmd.org](mailto:dramirez@mrwmd.org).

### **Fees:**

For current Disposal Rates, please see the [Disposal Fee](#) schedule.

### **Special Notes:**

Liquid waste deliveries that arrive at the District without an acceptance letter cannot be accepted and will be turned around.

Please review the District's [Waste Acceptance Thresholds](#) for information on acceptable levels of contaminants.

Due to wet weather conditions and maintenance of the disposal pond, the District cannot receive liquid waste at all times of the year. Customers are encouraged to seek alternate disposal options in advance, for these times.
