

## The Monterey Regional Waste Management District

The MRWMD is home to the Recycling Drop-off Center, Household Hazardous Waste Collection Facility, Materials Recovery Facility (the regional recycling facility), Monterey Peninsula Landfill, and renewable energy projects. We have designed our operations to make it convenient for you to reduce, reuse, recycle, and properly dispose of your household hazardous materials before refuse is deposited in the landfill. The Board of Directors and employees of the District thank you for doing your part to reduce waste and conserve resources.

The MRWMD service area includes Moss Landing, Castroville, Marina, Seaside, Del Rey Oaks, Sand City, Monterey, Monterey-Salinas Highway area, Pacific Grove, Pebble Beach, Carmel, Unincorporated Carmel, Carmel Valley, Carmel Highlands, and Big Sur.

### Last Chance Mercantile

The Last Chance Mercantile is temporarily closed until further notice. Customer filled landscape product bags are now available for purchase at the MRWMD scales. Unfortunately, we are also unable to receive donations at this time. Please check with local nonprofit stores in your area for donation acceptance. We apologize for the inconvenience.

### Landscape Products

Landscape products are sold by weight or by customer-filled bags (2 cu.ft.) at the MRWMD scales. Tarps and tie downs are necessary for bulk purchases. Loading services for bulk purchases provided.

Additional product information can be found at [www.mrwmd.org/landscapeproducts](http://www.mrwmd.org/landscapeproducts)

## Electronic Waste

Electronic devices are accepted for recycling at Household Hazardous Waste free of charge. It is against the law to dispose of electronic waste in the trash.

## Recycling Drop-off Center

Our free drop-off recycling area accepts the following items: mixed paper, cardboard, glass bottles and jars, plastic bottles and containers # 1, 2, 5, large rigid plastics, metal containers and scrap metal, including water heaters. Appliances are not accepted at recycling drop-off area; they must be taken to the scales.

## Household Hazardous Waste Collection Facility

Residents within the MRWMD service area may bring household hazardous waste (HHW) for proper disposal, free of charge. HHW includes household batteries, paint, pesticides, motor oil, car batteries, pool chemicals, CFL bulbs, aerosols, acids, fuels, and caustics. California law prohibits the disposal of HHW in the trash. See [www.mrwmd.org/hhw](http://www.mrwmd.org/hhw) for additional acceptance information.

## Small Business Hazardous Waste Collection

Hazardous and regulated waste from small businesses, such as fluorescent light bulbs, paint, cleaning chemicals, etc. is accepted by appointment only. Call 831-264-6386 for an appointment or for more information. A small business processing fee applies.

### All Loads are Subject to Hazardous Waste Load

**Checking.** Hazardous and other prohibited materials, as defined under California law and regulations, may not be disposed at the Monterey Peninsula Landfill or the Materials Recovery Facility. If hazardous materials are found in loads, the hauler is responsible for all costs associated with management of the hazardous material. In addition, the District may notify state and local regulatory agencies, and the responsible party or parties may be subject to civil or criminal prosecution, or both.

**\*Services and fees are subject to change.** Please check our website [www.mrwmd.org](http://www.mrwmd.org) for current information.

## FOR YOUR SAFETY

Please follow these safety guidelines when visiting MRWMD:

- Secure and tarp all incoming and outgoing loads.
- Dress appropriately: no open-toed shoes, flip-flops, or shorts. Recommended: gloves, pants, work boots, and long sleeves.
- No smoking in the facilities.
- Always wait for the MRWMD staff to direct you to a safe dumping zone.
- Children and pets must remain inside vehicles at the Landfill, MRF, and all recycling drop-off areas.
- Always remain with your vehicle (within 6 feet) on the Landfill and MRF tipping floor and watch for other vehicles.
- Obey all posted stop signs, safety and speed limit signs.
