

# Job Description

---

<b>Position:</b>	<b>LFG Maintenance Assistant</b>	<b>FLSA Status:</b>	<b>Non-Exempt</b>
<b>Department:</b>	<b>LFG</b>	<b>FTE:</b>	<b>Full-Time</b>
<b>Reports to:</b>	<b>Power Systems Supervisor</b>	<b>Revised:</b>	<b>September 2024</b>

## DEFINITION:

Under direct supervision, this position is designed to develop candidates for a future technician role, the incumbent performs a variety of unskilled and semi-skilled tasks related to the maintenance, repair, and upkeep of power systems equipment, facilities, surrounding grounds, gas wells and associated infrastructure. Some tasks may require heavy physical manual labor. Incumbents may be expected to work unusual shifts, weekends, evenings, holidays, as needed, and drive a ReGen Monterey truck and utility cart to get around ReGen site.

## ESSENTIAL FUNCTIONS:

*The following duties are typical of this classification and are intended only to describe the various types of work that may be performed, the level of technical complexity of the assignment(s) and are not intended to be an all-inclusive list of duties. The omission of a specific duty statement does not exclude it from the position if the work is consistent with the concept of the classification or is similar or closely related to another duty statement to address business needs and changing business practices.*

- Assists the LFG Senior Power Systems Technician in maintaining established preventive maintenance programs, repair and diagnosing activities; prepares parts and engine components for assembly.
- Completes equipment inspections with guidance from Senior Power System technician; completes checklists in accordance with proper procedure.
- Performs basic operation and maintenance functions on gas well field and associated equipment.
- Performs cleaning and general plant maintenance of equipment, work areas, building, surrounding grounds, gas well field and associated infrastructure.
- Makes basic gas well field repairs as directed.
- Disposes of oils and other fluids related to engine maintenance, in accordance with proper procedure.
- Lifts and moves heavy objects up to 50 pounds without assistance and 75-100 pounds with assistance.
- Maintains basic records of work performed and materials used.
- Understand and carry out oral and written directions in English.
- Read and write in English at the level required for successful job performance.
- Adhere to an assigned work schedule and meet ReGen Monterey's attendance standards.
- All ReGen positions require the employee to provide good customer service to both internal and external customers, maintain positive and effective working relationships with other ReGen employees.
- Other duties as assigned.

## MINIMUM QUALIFICATIONS AND RESPONSIBILITIES:

### **Knowledge of and Ability to:**

- Safe work practices and procedures.
- Basic housekeeping and cleaning activities.
- Use of basic hand tools.
- Ability to learn basic methods, tools, equipment, and materials used in landscape maintenance, repair, and construction work.
- Ability to use hand and power tools safely.
- Work safely and apply safety policies and work procedures.
- Ability to learn to perform semi-skilled maintenance, repair, and construction assignments.
- Support the goals and objectives of the assigned department and ReGen Monterey.

# Job Description

---

- Apply sound judgment in a variety of circumstances with or without specific instructions.
- Ability to work safely without presenting a threat to self or others.
- Work independently and accomplish various assignments with broad general instructions.

## **TRAINING, EDUCATION AND EXPERIENCE:**

High school diploma desired.

## **SPECIAL REQUIREMENTS:**

- Must maintain a California Driver's License Class C as a condition of employment.
